

The FRIENDS of the YURBURG JEWISH CEMETERY – Call for contributions for the Synagogue Square Memorial Jurbarkas, CAN New Artists Collegium monument

We are pleased to announce that the "Friends of the Yurburg Jewish Cemetery" strongly supports **CAN New Artists Collegium Project – Synagogue Square Memorial, dedicated to the memory of Jurbarkas (Yurburg) Jewish Community** which will be placed in Jurbarkas (Yurburg), Lithuania.

The "Friends of the Yurburg Jewish Cemetery" was formed in 2005 as a United States not-for-profit organization dedicated to the restoration and upkeep of the cemetery of our ancestors. It also was established to preserve the memory of the Yurburg Jewish Community.

In 2006 the "Friends" worked with the Kaunas (Kovno) Jewish community and the town of Jurbarkas (Yurburg) to rebuild the entrance based on the design of the original entrance.

In 2007 "Friends" supported and directly assisted in the construction of a new fence around the cemetery working with students from Dartmouth College and local Lithuanian high school students.

More information and pictures of these activities can be found on the web at kehilalinks.jewishgen.org/yurburg/

Synagogue Square Memorial in Jurbarkas is a monumental project initiated by the Jurbarkas municipality and executed by CAN New Artists Collegium, who's headmaster, sculptor David Zundelovitch, is a descendant of the Zundelovitch family from Yurburg. Together with his children, art director Greg Zundelovitch and architect Anna Zundelovitch, they created a remarkable concept of a unique monument, dedicated to the memory of a community belonging to their forefathers.

We have designated a special purpose account for the Synagogue Square Memorial Jurbarkas by the sculptor David Zundelovitch. All funds received for the memorial monument will be used **exclusively** for that purpose.

Tax-deductible donations by US tax-payers to the Synagogue Square Memorial dedicated to the Jewish Community of Yurburg can be made by sending a check to:
